

Windham  
Aging

# Halifax

Listening Session

**Where:** Halifax Café

**When:** March 9 from 11:00am-12:30pm

**Who:** All are welcome

**Why:** Share your thoughts and concerns about you, your neighbors or your family's aging. Get connected with programs and services in the area that help us all age well in Windham County.

Windham Aging's mission is to collaborate to provide the strategic vision for systemic change so that older residents of Windham County age well. To do this:

- We identify the existing resources, future needs, and best strategies to achieve our vision.
- We inform the change-makers for our county, so they can engage those strategies.
- We track progress to guide advancement toward our stated outcomes.
