

**Vermont Agency of Natural Resources  
Department of Environmental Conservation  
Waste Management and Prevention Division  
Solid Waste Management Program**

Town of Halifax Closed Landfill  
2044 Branch Road, Halifax, VT

The public is hereby notified that the Vermont Agency of Natural Resources has prepared a draft post-closure care certification for the Town of Halifax closed landfill. The certification provides for ongoing environmental monitoring and post-closure care of the closed landfill. The environmental monitoring will continue analysis for per- and polyfluoroalkyl substances within a monitoring well that previously tested above the Vermont Groundwater Enforcement Standards for these substances. The application has been filed in accordance with 10 V.S.A. 6605 and the Solid Waste Management Rules, and has been determined to be administratively and technically complete.

A copy of the application, supplementary materials and draft certification is available for public review at the offices of the Solid Waste Management Program, 1 National Life Drive, Montpelier, (802) 828-1138, and the Halifax Town Offices, 246 Branch Road, (802) 368-7390.

Written comments on the draft certification being solicited by the Agency and must be received by no later than (\*\**Insert Date-see below*\*\*).
