

Need Underground Conduit for **DVFiber** Installation?

Halifax has funding **\$\$\$** available to help pay the cost of underground conduit where it is needed.

IF:	<ul style="list-style-type: none">▪ Your electric or telephone service runs underground at any point from the utility route to your Halifax home, or▪ You have telephone wire in conduit from the utility route but don't have a "pull string" inside, or▪ You are not sure what you have but want to be ready for DVFiber installation.
THEN:	<ul style="list-style-type: none">▪ We can come to your home to assess whether work is needed to prepare for a connection, and▪ Provide financial assistance to residents when work is necessary but is not affordable.

Last year, we helped more than 50 Halifax homeowners, focusing initially on school families, first responders, and seniors. Home visits are free. Access to available funds is first-come, first-served.

To get started, complete the confidential survey found on the **Halifax town website**. Go to **Committees – Broadband Committee – Halifax Connectivity Program Flyer** and click on the link near the bottom: <https://forms.gle/J9BF79NLYfytQhy99>

Or come to the Halifax Café at 20 Brook Road on Saturdays between 10 AM and 1 PM to complete the survey on paper.

All information you provide is kept private.
